

Minutes of April 4, 2006 Meeting
Olivet Community Chamber of Commerce

Meeting was called to order by President, Becky Ramage..

Treasurer's Report and Minutes were circulated and accepted as printed.

COMMITTEE REPORTS

- Publicity- Newsletter has been mailed. Becky apologized for errors. She discussed the omission in the Dave Campbell article. It was agreed that a correction to the article would be printed in the next newsletter, indicating that a portion of the article had unintentionally been omitted.
- Membership- Membership information for the new fiscal year was included in the newsletter.
- Community Center- There has not yet been a resolution to the problem we had encountered with the college group that had rented the community center. Becky has had contact with the advisor for the group, who seems to be "backtracking". Frank will check with Karen to see if she had gotten the letter and bill sent to the group yet.
- College Report- Ed Heator will be our new college representative.
- Fundraising- Glenda mentioned that if we were still interested in doing a golf outing that Brad Vahs had offered his help.

OLD BUSINESS

Dr Lewis still has no information on health insurance. Becky Southern has offered to check into a health insurance connection through Sam's Club.

NEW BUSINESS

Voting took place to fill the following: President-Becky Ramage nominated
Trustee-Becky Southern nominated
Secretary-no nomination

Larry Marsh made a motion to accept the above nominations, seconded by Ben Hart. Cindy Waun agreed to accept the secretarial responsibilities until a Secretary can be found.

We then entered discussion about Firemen's Fest. Becky Southern will check into the cost of inflatable items, concentrating on items that do not require prizes. She will also solicit donations from businesses. We decided as a group that even if an event does not generate income for the chamber during the festival, we will do it for the community.

We agreed to again purchase bikes to be given away in a drawing to kids that participate in the

parade.

Glenda, Paula, & Becky Southern will research the possibility of having a Talent show the day of the Festival. They will report back at the next meeting.

Becky discussed the downtown flower project and asked if we should continue this project again this year. Everyone was in agreement.

Janet DeGroot mentioned that she is working on having a 100 year historical celebration at Pine Lake in 2007 and asked that if anyone had pictures, memorabilia, etc. to please let her know.

Meeting adjourned.
