COMMITTEE REPORTS:

- **Fund-raising** – Discussed food for Fireman's Festival. Decided on Sloppy Joes and sweet corn. Times not set yet. We will not be renting from Fun Services this year. Parade is at 2 pm
- **Publicity** – The Web Site is up and running. Olivetchamber.org. Good Job Mandi and Jeff. Motion by Larry for Mandi or Jeff to pay for the Web Site registration with her or his credit card and the Chamber will reimburse them. Second by Ben. Motion carried
- **Bylaw Revision** – Larry Marsh Chairman. A definition for "trustee" is needed. Larry has thought that maybe a list of duties would be sufficient. A trustee is to assist the officers was another thought.
- **Membership** – We have received 38 confirmed membership/fee in response to the membership letters. Becky has placed calls and a possible 16 or more yet to commit. We need to know in order to do the brochure.
- **Community Center** – No report except that we are breaking even.
