**Fundraising-** Becky Southern reported that the Chamber will be sponsoring a Cake Raffle at the upcoming Autumn Craft Festival to be held at the high school. She is requesting cake donations.

**OLD BUSINESS**

Becky Ramage reported that four businesses participated in providing items for welcome bags that were distributed by Fern Persons Elementary to new families in the school district. She included a welcome letter and a copy of the new directories in each bag and felt that this was received well.

Discussion concerning monetary thank-yous to volunteers resulted in a decision to send written thank-yous only.

Mandi Persons noted that she has added pictures from Nite On The Town to our website.

**NEW BUSINESS**

The Christmas Tree Lighting is scheduled for Saturday, 12/2/06. Danny LaPoint has agreed to get the tree set up (once again donated by Ben Hart). The Chamber will be in charge of publicity for the event this year. We will schedule a date to decorate the tree at our next meeting. We may need to purchase new lights.
